

TechHire
New Mexico

Interested in a Career in Information Technologies?

You may want to know about TechHire New Mexico, a brand-new program that provides training, work experience, and job placement for IT job seekers in Bernalillo, Sandoval, Torrance, and Valencia counties. The goal is to quickly advance program graduates into well-paying, high-skilled, high-growth jobs.

► TechHire New Mexico Program

The program includes:

- Free customized training. Various tracks are offered
 - Free on-the-job training
 - Free work experience, internships, and/or Registered Apprenticeships
 - Competency-based training programs that give you credit for skills you already have
 - Free IT training boot camps and other fast-track learning options
 - Free online programs
- Needs-based assistance, including childcare, transportation, medical, and financial coaching
- Connecting program participants with employers

► Eligibility

To participate in this program, you must be:

- In possession of a High School Diploma or equivalent (GED)
- Between the ages of 17 and 29 (*Note: there are some limited opportunities for ages 30+*)
- Have barriers to training and employment, such as
 - No post-secondary education
 - No work experiences and/or lack skills necessary to secure employment
 - Currently unemployed or underemployed
- Residing in Bernalillo, Sandoval, Torrance, or Valencia County

Please note: TechHire New Mexico has a policy of priority placement for veterans and spouses of veterans who meet the program's eligibility requirements.
